Cut Time has not been updated as of yet, statements will go out by September 15

Committee comments:

Paulding Meadows – Event was successful, despite being cut short on Saturday due to inclement weather. Need more volunteers next year, especially adults.

Chaperones – Going well, snacks are now paid for by the boosters, works well. Need more volunteers for Newnan.

Seniors – Senior night is October 27. Senior families can bring their banner home after the game.

Uniforms – Need more help with checking in after games. Many students are turning in wrong items, or are missing items. More volunteers will speed up process.

Operations – Will have a workday Saturday, September 16, to work on props and staging.

Hospitality – The next away game we will serve Zaxby's. The 12 hour rehearsal we'll have nachos. We will need desserts donated for both events.

Concessions – Making good profit, have enough volunteers, snow cones are selling well.

Spirit Wear – One of a Kind will have webshop open only for the Fall this year and then again in the Spring right before next season. Deadline to order will be September 22.

Fundraising – Text to Raise is active and going well. Next fundraiser is poinsettias.

Robichaux – If a kid is sick and must miss a practice, it is very important an explaining email is sent to Mr. Robichaux. Marching band schedule is published months in advance and no vacation should be scheduled during any events. This is not an excused absence.

Many kids have been feeling unwell during practice or during/after a game and it is mainly due to them not eating well or not eating at all. It is of the utmost importance that all kids eat healthy and sufficient breakfast and lunch. If medical equipment such as inhalers is needed, they need to be kept with the band at all times, either by the student themselves, or Mr. Robichaux.

Text to Raise is a big success and is currently sitting at \$19,880.
